Do You Know What You're Doing When You Leave School?

Have You Already Left and Are Figuring Out the Next Step?

Now's Your Chance to FACE YOUR FUTURE!

If you're a 16-18 year old in your final year of school, or have already left school, you are invited to be a part of **FACE YOUR FUTURE 2015**, hosted by L'Oréal New Zealand in partnership with Fostering Kids.

Celebrating its 7th year L'Oréal Face Your Future in 2015 will focus on positive and inspiring stories from people who have pushed through hardship and succeeded in their personal lives, businesses or careers. It explores exciting Career Pathways, Interview Skills, and a session on Personal Presentation.

Each participant will receive generous L'Oréal gifts and will have the chance to win some fantastic prizes! But more importantly, it is our hope that each young person leaves with a sense of inspiration and confidence that it is possible to "*Reach for the Stars*" and achieve their hopes and dreams.

This two day event is open to teenagers in the care of caregivers or agencies who are members of Fostering Kids. Young people who have NOT attended this event previously are eligible to register. Numbers are limited to the first 50 young people who register.

Unfortunately, due to space restrictions, we are unable to accommodate Caregivers or Social Workers at this event.
