

"Everything I learnt was great; I learnt that attitude is everything. This was the best trip I have ever had in my life. Now I know anything is possible for me."
-Rebecca

What's your plan once you've left school?

Already left school and wondering what's next?

Now's Your Chance to FACE YOUR FUTURE!

If you are in care and are between 16-18 years, in your final year of school, or have already left school, you are invited to be a part of **FACE YOUR FUTURE 2018**.

Hosted by L'Oréal New Zealand and in partnership with Fostering Kids NZ, **Face Your Future in 2018** will focus on positive and inspiring stories from people whom have pushed through some tough times in their lives to go on and be super successful in their personal lives, businesses and careers. This event explores exciting Career Pathways, Interview Skills, Confidence & Communication tips as well as a session on Personal Presentation.

Each participant will receive generous L'Oréal gifts and will have the chance to win some fantastic prizes! But more importantly, it is our hope that each young person leaves with a sense of inspiration and confidence that it is possible to "*Reach for the Stars*" to achieve their hopes and dreams.

This two-day event is open to teenagers in the care of caregivers or agencies who are members of Fostering Kids NZ. Young people whom have NOT attended this event previously are eligible to register. Numbers are limited to the first 50 young people who register.
